Re: Letter of Reference

Thank you for securing our sizeable refund on our utility bills. The entire process was just as it was explained to us, minimal involvement from our staff and resources, and the only thing we needed to provide was a letter of authorization and one month electric and gas bill.

I would strongly recommend everyone to use your services, even if they believe their bills to be in proper billing order, we thought ours were and we were wrong.

Once again, thank you for your efforts and look forward to you reviewing our bills again in the future.

Sincerely,  
Singlecut Beersmiths, LLC
