Re: Letter of Reference

Thank you for securing our refund on our water/sewer bill. I must admit I was very skeptical when I was first approached by your representative offering to review our utility bills for errors and mistakes, but your "No Refund Secured = No Fee", presented us with a win-win opportunity.

Everything that was promised turned out to be factual, minimal involvement from our staff and resources.

I would strongly recommend your services to anyone, even those who think that there is nothing to be refunded.

Sincerely yours,

Joel Paul Berger
